Cindy and I had spoken about transmitting these comments via email rather than by letter.
Would you rather I put it into a letter format?

Kim-

No comments. Note that the document uses a few different fonts and font sizes – just a heads up to make consistent throughout once you incorporate into the final letter. Thank you! Please cc the state and CoNB.

Subject: draft final comments on Phase III

Ginny:

Please see my draft final comments on the Phase III RAP for Aerovox. This draft final incorporates C&E's comments as well.

These are due to AVX by Nov. 3 per the TSCA letter of last week. The plan is to provide these comments via email to AVX with cc to Marilyn and the state.
